EXPERTISE

I developed excellent communication , customer satisfaction and money handling skills all the thanks to my previous work in the industry. I also have experience working on machines , but what matters the most is my love towards engineering. Moreover my math and computer skills are top notch because of my active pursuit in education.

PROFILE

I am a dedicated individual with a strong work ethic and a commitment to delivering exceptional service to both the work at hand and the customers I serve. With over 6 months of work experience, I have successfully navigated multiple roles within the same job, acquiring valuable and transferable skills. My abilities encompass multitasking, selling goods, ensuring customer satisfaction, and maintaining meticulous attention to every detail. I take pride in bringing excellent customer skills and a strong work ethic to contribute to the success of your business.

WORK EXPERIENCE

Automotive Technician

Mr. Lube Inc. (North Vancouver, BC.)

June 2023 - November 2023

- Demonstrated a versatile skill set encompassing oil changes, tire and other light repairs, payment processing, customer greeting, and car washing.
- Sold car parts and services like Fluid Change and Air filters when required.
- Collaborated closely with mechanics to extend responsibilities to include working on critical car parts such as spark plugs and brake pads.
- Merged technical proficiency with a commitment to customer satisfaction, ensuring a positive experience for every client.
- Undertook cleaning work , maintenance of machinery and car washing at Mr. Wash, sub branch of the same facility , when deemed necessary.
- Provided exemplary customer service throughout ensuring customer satisfaction, addressing inquiries and resolving complaints.

Car Wash Attendant

Mr. Wash, (Mr. Lube) Resilient Management Inc.

June 2023 - July 2023

- Initiated technician training while employed at Mr. Wash, the car wash facility affiliated with Mr. Lube.
- Responsibilities included ensuring the optimum condition of machinery, opening and closing the shop, running operations throughout the day, greeting customers, processing payments, addressing customer complaints to ensure customer satisfaction, maintaining cleanliness, and generating daily financial reports.
- Actively engaged in both tasks, including car washing and automotive services, to support the overall efficiency and functioning of the facility.
